Educational Grants

AAUW Windward Branch plans again to award several grants for the 2016– 2017 academic year. The application and requirements are also online at windward-hi.aauw.net and this letter can be posted on line as needed.

Applicants must be:

- Legal, Hawaii women residents of Windward Oahu.
- Enrolled at least half time in a classified degree program or accepted for admission at a regionally accredited post-secondary institution in the state of Hawaii and not previously awarded a baccalaureate degree.

Selection will be based on academic potential and need, as determined by the Educational Grants Committee of AAUW Windward Branch.

The applicant must submit:

1. Completed educational grant application,
2. A type-written statement which addresses all three of the following: (a) applicant's educational and career goals, (b) why applicant believes she should be awarded a grant from the Windward Branch of AAUW and (c) why the applicant chose the college that she will attend,
3. A copy of applicant's high school transcript if she has not attended college, or most recent college transcript (including work in progress and can be an online student copy) and
4. Two letters of recommendation (to be mailed directly to the committee or emailed to jbsestak@prodigy.net). These should be from teachers (preferred), counselors, employers, supervisors or others who are well acquainted with the student's abilities and potential – not relatives. (It is the applicant's responsibility to ensure that the letters of recommendation are postmarked by the March 1, 2016 deadline.)

Application materials will not be returned. All materials – Application, Personal Statement, Transcripts, and Letters of Recommendation – must be postmarked or received by March 1, 2016 and sent to: Dorothy Conway, 1619 Ulupii Place, Kailua, HI 96734 or emailed to Betty Sestak at jbsestak@prodigy.net.

Awards will be made in April 2016. Awardees will be invited to the Branch Scholarship Luncheon to be held Saturday, June 4, 2016. Additional information is available by contacting Betty Sestak at 262-0530 or by email at jbsestak@prodigy.net.
